IS SCHLIPF IN A NET?

Covington, Ky., have been Detective Oliver Thinks He Has Found Mary Anderson's Murderer.

> Letters and Evidence That Look Bad for the Switchman.

> But the Prisoner Has a Ready Explanation for Everything.

ISPECIAL TO THE EVENING WORLD.1 New BRUNSWICK, N. J., June 1d,-Henry schilpf, the twenty-two-year old switchman on the Lehigh Valley Railroad at Perth Amboy, charged by Detective Oliver with Mary Anderson's murder, was seen in his cell in the county jail this morning by an Eventso Worth reporter, and asked for an explanation of certain strongly incriminating evidence which Detective Oliver laid before the public to-day.

In substance Oliver's evidence is this: On the afternoon of the murder, Wednesday, June 8, two witnesses, Valley Railroad men, whose names the officer withholds, are prepared to swear Schilpf was absent from his ost in the Valley freight-yard at Perth Amboy from 4.47 until 5.55, a period of one hour and eight minutes, on the very afternoon of the murder. The time of the murder has been pretty definitely located at about

Another witness for the prosecution. Oliver has stated, will swear that Schlipf said to him within the past two or three weeks: "Those two girls," meaning Mary Anderson and Clara flollender, " are going to ruin me and send me to -, but I'll get square

with them." Oliver has further figured that from the place where Schlipf was engaged in switching, in North Yard C of the Valley Railroad, one could walk at a brisk gait to Hines's Woods, Perth Amboy, where the musier was committed, in twelve minutes. Two letters are also in the possession of Prosecutor Robert Adrain, of New Brunswick, which Schlipf wrote to Clara Hollender, one dated June 6 and the other having no date, but believed to have been written on the day before the murder. The letter of June 6, among

other things, says: been broken into by burgiars. It and the village clerk's office are combined, and Samuel Ranson is Postmaster and Clerk of the village. There are two sales in the office, one the Post-office safe, the other the village safe.

Last night there was \$650 in stamps and \$500 in money in the Post-office safe. The precise amount in the village safe in the village safe in the village safe. The contained when the village safe in the same in the safe i
